POLICE OFFICER WRITTEN TESTING RESULTS

If your initials and the last four of your social appear below you passed the written testing portion of the police officer recruit testing process held on July 17, 2021. You will be contacted by phone or email in the coming weeks.

If you did not pass the written exam, you are eliminated from this testing process. Please do not let this discourage you in your efforts to work in law enforcement. Those who did not pass are eligible to test again at the next testing date. Watch the City of Moore website and the Moore Police Department Facebook page for future testing dates.
