## National Police Week 2022

In 1962, President John F. Kennedy signed a proclamation which designated May 15 as Peace Officers Memorial Day and the week in which that date falls as Police Week. National Police Week offers honor, remembrance, and peer support, while allowing law enforcement, survivors, and citizens to gather and pay homage to those who gave their lives in the line of duty.

We will remember the week of May 15-21 with several police-community events to include a chili cook-off, community cook out and open house, police unity bicycle ride, and a cops & bobbies fishing derby. Watch social media for details.
