To Whom It May Concern,

The City of Moore invites non-profit organizations to submit proposals for projects to be funded through the Community Development Block Grant (CDBG) Program, with a primary focus on physical and social development activities. A restricted portion of the grant funds can be expended for public services activities, subject to careful review to ensure compliance with required expenditure limitations. Anticipated CDBG funds, to be awarded by the Department of Housing and Urban Development (HUD), will be available for the 2024-2025 Program Year starting October 1, 2024.
