Parks Volunteer Opportunities

Volunteering in our parks division helps keep our parks beautiful and safe for our residents and is a great way to give back to your community .

Adopt-a Park

This program allows individuals, businesses, or groups to take a proactive role in the beautification of local parks. A one year commitment is required and promotional signage for your group is available.

Volunteer as a Group

Pick a day to help pick up trash, paint, mulch trees or hang Christmas lights.

For more information, please visit cityofmoore.com/parkvolunteers or email tmcguire@cityofmoore.com

I would like to thank Mayor Hamm for the opportunity to communicate with you this month. By the time you read this we will be well into the summer months and the Celebration in the Heartland, 4th of July event will be just around the corner. There will be food, drinks, activities, live music, and fireworks for the whole family. Bring your lawn chair and spend the day at Buck Thomas Park. The Station at Central Park is an amazing facility where you can be involved in so many great activities including the Aquatic Center. There are over 300 acres of community parks in Moore and five of them have splash pads. There are many more activities happening in Moore throughout the summer and you can find more details on the City of Moore website, www.cityofmoore.com

My wife and I grew up in Moore, attended school, got married, and raised our family here. I have served in several different volunteer capacities in the city since 1996 until the time felt right to run for City Council. It is an honor and a privilege to serve on the council with the other five council members. This is an extremely good group of people just like the citizens we serve. Moore is one of the most resilient cities around and I'm glad to live and serve here.

Thank you for the opportunity to serve you.

Louie Williams
Council Member, Ward 3

ENJOY THE SUMMER
