Mayor Hamm has asked each of us 6 Council Members to share a few things going on within our community. There are so many activities to pack into Summer so let's make the most of it! Summer winds down with a very popular event called *National Night Out*. NNO, in its 42nd year, is a nationwide, community-building campaign promoting police-community partnerships and neighborhood camaraderie to enhance safety and improve quality of life. The City of Moore sponsors a community-wide event and several neighborhoods organize their own. If your neighborhood doesn't already have one, why not create your very own National Night Out? Find out how at natw.org.

The desire to serve my community as a Council Member is deep seeded. I want to give back to the very community that embraced my non-English speaking Czechoslovakian grandparents Frank & Anna Janko in the early 1900's. Both of my parents graduated from the Old Moore High School on Broadway in 1949 and 1951. Dad soon joined the Navy, taking us to live in California, Tennessee, and Japan. Retiring in 1974, we moved to Moore and I graduated in 1977 from Moore High on Eastern Ave. Following the military lifestyle of marrying and moving back home, my 4 children graduated from Moore High School. When you could live anywhere in the world and choose Moore, that speaks volumes of the people who share our community!

I hope you have a happy and safe Summer, soaking in all the wonderful free or budget-friendly activities that our community has to offer.

We are surrounded by a great group of residents, City leadership, Police and Fire; an ideal combination. Thank you for making our community such a great place to live, work and play.

It is absolutely my honor to serve you.

Kathy Griffith
Council Member, Ward 1
