## Mayor's Minute

WITH MARK HAMM

As Harper Lee wrote in *To Kill a Mockingbird*, "The summer that had begun so long ago had ended, and another summer had taken its place and a Fall..." It's true, the older you get, the faster the seasons seem to fly by. Growing up, seeing school supplies at TG&Y (formerly in Moore's New City Center) meant summer was wrapping up. New notebooks and a couple of cool shirts were my clue school was near. Hope your summer was full of awesome memories! With school starting soon, please watch for school zones and drive carefully. Moore Police will be patrolling and enforcing speed limits to keep our kids safe. The City Council passed our 2025-2026 budget: \$62,013,873. The 4th Street Railroad Underpass, with an anticipated completion of September 2026, is on track. We appreciate your patience during construction; it'll be great when it's finished! Visit [cityofmoore.com](http://cityofmoore.com) under "Citywide Projects" for the latest updates on projects around town.

I love being your mayor and working to make Moore better. Let's keep it #moorestrong!

  
Mayor Mark Hamm
