INITIATIVE AND INGENUITY

SUPERVISION RECEIVED

Under immediate supervision, performs general assignments of work, with periodic check of performance by supervisor.

PLANNING

Limited responsibility with regard to general assignments in planning time, method, manner, and/or sequence of performance of own work operations.

DECISION MAKING

Performs work operations which permit frequent opportunity for decision-making of minor importance and which would not only affect the operating efficiency of the individual involved, but would also affect the work operations of other employees and/or clientele to a slight degree.

MENTAL DEMAND

Moderate mental demand. Operations requiring almost continuous attention, but work is sufficiently repetitive that a habit cycle is formed; operations requiring intermittent directed thinking to determine or select materials, equipment or operations where variable sequences may be selected by the employee.

ANALYTICAL ABILITY / PROBLEM SOLVING

Moderately repetitive. Activities with slight variation using a definite set of processes or directions with some degree of supervision. Choice of learned things in situations which conform to clearly established patterns and modes.

SUPERVISORY RESPONSIBILITIES

No supervision.

RESPONSIBILITY FOR FUNDS, PROPERTY and EQUIPMENT

Occasionally responsible for organization's property where carelessness, error, or misappropriation would result in moderate damage or moderate monetary loss to the organization. The total value for the above would range from \$5,000 to \$150,000.

ACCURACY

Probable errors of internal and external scope would have a moderate effect on the operational efficiency of the organizational component concerned. Errors might possibly go undetected for a considerable period of time, thereby creating an inaccurate picture of an existing situation. Could cause further errors, losses, or embarrassment to the organization. The possibility for error is always present due to requirements of the job.

ACCOUNTABILITY

FREEDOM TO ACT

Defined. Semi-repetitive prescribed processes and procedures with nearby supervision.

ANNUAL MONETARY IMPACT

The amount of annual dollars generated based on the job's essential duties / responsibilities. Examples would include direct dollar generation, departmental budget, proper handling of organization funds, expense control, savings from new techniques or reduction in manpower.

None. Job does not create any dollar monetary impact for the organization.

IMPACT ON END RESULTS

Modest impact. Job has some impact on the organizations end results, but still from an indirect level. Provides assistance and support services that facilitates decision making by others.

PUBLIC CONTACT

Occasional routine contacts with persons outside the organization. This would include contacts with suppliers, mail service, etc.

EMPLOYEE CONTACT

Contacts occasionally with others beyond immediate associates, but generally of a routine nature. May obtain, present or discuss data, but only as pertains to an immediate and specific assignment. No responsibility for obtaining cooperation or approval of action or decision.

USE OF MACHINES, EQUIPMENT AND/OR COMPUTERS

Regular use of complex machines and equipment (desktop/laptop computer and software, road and production machines and equipment, driver's license/cdl, etc.)

WORKING CONDITIONS

Outside working environment, wherein there are extremely disagreeable working conditions most of the time (e.g., Hot mix paving in constant sun).

ENVIRONMENTAL CONDITIONS

The following work environment characteristics described here are representative of those an employee encounters while performing essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the functions of this job, the employee is frequently exposed to work near moving mechanical parts, outdoor weather conditions, vibration; and occasionally exposed to work in high, precarious places, fumes or airborne particles, toxic or caustic chemicals. The noise level in the work environment is usually loud.

PHYSICAL ACTIVITIES

The following physical activities described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions and expectations.

Highly repetitive, highly physical. Highly repetitive type work which requires the concentrated and non-diversified physical demands of the employee.

While performing the functions of this job, the employee is regularly required to stand, use hands to finger, handle, or feel; frequently required to walk, reach with hands and arms, stoop, kneel, crouch, or crawl; and occasionally required to sit, climb or balance, talk or hear. The employee must occasionally lift and/or move more than 100 pounds; frequently lift and/or move up to 100 pounds. Specific vision abilities required by this job include close vision; distance vision; color vision; peripheral vision; depth perception; and ability to adjust focus.

ADDITIONAL INFORMATION

Knowledge of:

- Uses and purposes of general construction tools and equipment
- Proper safety precautions related to all work performed

Ability to:

- Perform unskilled and semi-skilled tasks in a variety of construction and maintenance activities
- Perform difficult manual labor tasks including lifting heavy weights, stooping, bending and twisting
- Learn to operate a variety of construction and maintenance equipment.
- Understand and carry out oral and written directions
- Establish and maintain effective working relationships with those contacted in the course of work
- Maintain effective audio-visual discernment and perception needed for: making observations, communicating with others, reading and writing, operating assigned equipment
- Maintain effective mental capacity which permits: making sound decisions, using good judgment, utilizing other intellectual capabilities

- Maintain physical condition appropriate to the performance of assigned duties and responsibilities which may include the following: sitting for extended periods of time, operating assigned equipment

Experience and Training Guidelines

Experience:

No experience is required

Education:

High school diploma or equivalent

License or Certificate:

Possession of, or ability to obtain, a valid Oklahoma driver's license
