STAKEHOLDER INPUT SESSION

The City of Moore has partnered with **Downtown Strategies** to develop a Five-Year Action Plan for **Old Town Moore**. Instead of brainstorming everything we could do, their bite-sized plan will identify practical small-scale strategies for what we should do to see immediate impact.

Be part of the process! Join us for a stakeholder input session to collaboratively share ideas, goals, concerns, and challenges to help formulate the Five-Year Action Plan.

Don't miss this opportunity to connect, discuss, and make a difference.
