

VACANCY ANNOUNCEMENT

Job Title:	CUSTOMER SERVICE REPRESENTATIVE
Open Date:	April 6, 2026
Closing Date:	Open until filled (First review of applications will be April 20, 2026)
Pay Rate:	\$36,057.74 - \$40,624.24 annually (depending on experience)
Job Type:	Full-time with benefits
Department:	Finance – City Hall

JOB SUMMARY

Perform a variety of specialized clerical and technical financial duties in support of the Customer Service division, including collection of utility bill payments. Incumbent will take “on/off” orders for utility service by telephone, correspondence, and in-person, and will analyze customer records to apply appropriate rates, and establish deposit amounts from written guidelines. Assigned to investigate and resolve complaints pertaining to utility billing, and the review, audit, analysis, and reconciliation of customer billing records.

EXAMPLES OF DUTIES

- Provide efficient and courteous customer service assistance to citizens, vendors, and builders, including answering questions relating to utility payments and new and existing customer accounts.
- Receive, process, monitor, and record financial transactions; track information on computerized or manual systems; enter, retrieve, and evaluate data; maintain records of all transactions.
- Prepare orders to install, remove, and repair meters, to disconnect, restore, or verify service, and perform other service-related changes.

EDUCATION, EXPERIENCE, AND LICENSES

- High school diploma or equivalent (GED)
- Two (2) years of clerical accounting experience, preferably in a municipal environment.
- Possession of, or ability to obtain, a valid Oklahoma driver's license may be required.

Selected applicants must pass a background investigation and drug test prior to employment.

12. Works in a manner safe to the individual and other people; keeps work area clean and safe; follows safety rules and safe work practices; uses safety equipment as required. This duty is performed daily.
13. Confidentiality is required upon specific notification to the employee. This duty is performed daily.
14. Prepare orders to install, remove and repair meters, post, disconnect, restore, or verify services and to perform other service related changes. This duty is performed daily.
15. Research customer records to resolve more difficult customer inquiries and prepare correspondence in response. This duty is performed as needed.
16. Communicate with customers via telephone, mail, email, or other means of communication. This duty is performed daily.
17. Determine and resolve utility payment problems and mis-readings; research, and submit to supervisor for adjustment. This duty is performed as needed.
18. Prepare orders to install, remove and repair meters, post, disconnect, restore, or verify services and to perform other service related changes. This duty is performed daily.
19. Assist in the training of new Customer Service Representatives and serve as a resource to staff of other units of the department; assist other positions or work units with various support assignments or special projects on an as needed basis. This duty is performed as needed.
20. Determine and resolve utility payment problems and mis-readings; research, and submit to supervisor for adjustment. This duty is performed as needed.
21. Use various computer systems computer extensively to enter data of new utility customers and make data changes; interact with customers, coordinate with utility field and billing units, check credit ratings, obtain other information to assist customers, research, resolve or refer to investigators reports

of unauthorized utility usage and use discretion to determine deposit and restoration of service requirements.

22. Perform any other related duties as required or assigned.

INITIATIVE AND INGENUITY

SUPERVISION RECEIVED

Under general supervision where standard practice enables the employee to proceed alone on routine work, referring all questionable cases to supervisor.

PLANNING

Considerable responsibility with regard to general assignments in planning time, method, manner, and/or sequence of performance of own work; may also occasionally assist in the planning of work assignments performed by others within a limited area of operation.

DECISION MAKING

Performs work operations which permit frequent opportunity for decision-making of minor importance and also frequent opportunity for decision-making of major importance; the latter of which would affect the work operations of other employees and/or clientele to a moderate degree.

MENTAL DEMAND

Moderate mental demand. Operations requiring almost continuous attention, but work is sufficiently repetitive that a habit cycle is formed; operations requiring intermittent directed thinking to determine or select materials, equipment or operations where variable sequences may be selected by the employee.

ANALYTICAL ABILITY / PROBLEM SOLVING

Moderately structured. Fairly broad activities using moderately structured procedures with only generally guided supervision. Interpolation of learned things in somewhat varied situations.

SUPERVISORY RESPONSIBILITIES

No supervision.

RESPONSIBILITY FOR FUNDS, PROPERTY and EQUIPMENT

Occasionally responsible for organization's property where carelessness, error, or misappropriation would result in moderate damage or moderate monetary loss to the organization. The total value for the above would range from \$5,000 to \$150,000.

ACCURACY

Probable errors of internal and external scope would have a moderate effect on the operational efficiency of the organizational component concerned. Errors might possibly go undetected for a considerable

period of time, thereby creating an inaccurate picture of an existing situation. Could cause further errors, losses, or embarrassment to the organization. The possibility for error is always present due to requirements of the job.

ACCOUNTABILITY

FREEDOM TO ACT

Generally controlled. General processes covered by established policies and standards with supervisory oversight.

ANNUAL MONETARY IMPACT

The amount of annual dollars generated based on the job's essential duties / responsibilities. Examples would include direct dollar generation, departmental budget, proper handling of organization funds, expense control, and savings from new techniques or reduction in manpower.

None. Job does not create any dollar monetary impact for the organization.

IMPACT ON END RESULTS

Modest impact. Job has some impact on the organizations end results, but still from an indirect level. Provides assistance and support services that facilitates decision making by others.

PUBLIC CONTACT

Regular contacts with patrons, either within the office or in the field. May also involve occasional self-initiated contacts to patrons. Lack of tact and judgment may result in a limited type of problem for the organization.

EMPLOYEE CONTACT

Contacts of considerable importance within the department or office, such as those required in coordination of effort, or frequent contacts with other departments or offices, generally in normal course of performing duties. Requires tact in discussing problems and presenting data and making recommendations, but responsibility for action and decision reverts to others.

USE OF MACHINES, EQUIPMENT AND/OR COMPUTERS

Regular use of complex machines and equipment (desktop/laptop computer and software, road and production machines and equipment, driver's license/cdl, etc.)

WORKING CONDITIONS

Normal working conditions as found within an office setting, wherein there is controlled temperature and a low noise level, plus a minimum of distractions.

ENVIRONMENTAL CONDITIONS

The following work environment characteristics described here are representative of those an employee

encounters while performing essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

The noise level in the work environment is usually moderate.

PHYSICAL ACTIVITIES

The following physical activities described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions and expectations.

Semi-repetitive, low physical. Semi-repetitive type work which requires periods of concentration for varied time cycles as prescribed by the tasks.

While performing the functions of this job, the employee is regularly required to sit, use hands to finger, handle, or feel, talk or hear; frequently required to reach with hands and arms; and occasionally required to stand, walk. The employee must occasionally lift and/or move up to 10 pounds. Specific vision abilities required by this job include close vision; and color vision.
