Stormwater Tips

As we head into the winter, here are some helpful tips to keep our storm drains clean through the colder months:

1. Shovel as soon as possible after a snowstorm. As a result, less ice will form and you won't need to use as much salt or de-icer.
2. Use safe and effective alternatives to salt. Remember that salt is not effective below 15 degrees Fahrenheit. Sand or kitty litter will give you traction when it's too cold for salt.
3. Plant native species, that are salt tolerant, near paved areas. Not only will these species be able to survive despite the road salt, they will also act as a protective buffer for local waterways.

4. Make sure the storm drains closest to your property are clear of snow and other debris. Do not shovel snow into storm drains since they empty directly into local creeks.

Please contact our environmental services department if you have any questions about stormwater. 405-793-4373

City Information Numbers

Turner Ave. Project

S. Turner Ave between SE 4th and East Main St. will begin reconstruction in early Spring of 2022. This reconstruction project is expected to take 180 days from the start date and is necessary to provide a bypass option once the SE 4th Railroad Underpass Project begins. Turner Ave. will be closed at East Main St. and S 4th for the duration of the project. Residents on Turner Ave. will be allowed access but through traffic will not be allowed. The improvements will consist of a new concrete street with a 5' bike lane in each direction as well as a 5' sidewalk on each side of the street. In addition, storm drainage improvements will be constructed with the street improvements to improve the overall drainage from SE 4th St. to Main St. adjacent to Turner Ave.

Cemetery Sweep

A complete sweep of all items (including flowers in vases) at the Smith Cemetery and the Moore City Cemetery will take place the first week of February 2022. Please collect anything you do not want discarded prior to the first week in February 2022. For more information, please call 405-793-5020 or visit:

cityofmoore.com/community-resources/cemeteries

Oasis Summer Day Camp

Age: 5-12

Location: Moore Community Center
(301 S. Howard Ave.)

Time: 7 a.m.-6 p.m.

When: May 31-Aug. 5

Registration: starts Tuesday, Feb. 14-March 13
Full Summer Registration Only

Full Summer & Select Weeks: March 14-May 30 or until all weeks are full.

Want your kids to have the absolute best summer they have ever had? If the answer is yes then you need to sign them up for the City of Moore's Oasis Summer Day Camp. Kids will learn, play games, participate in arts & crafts, and meet new friends at the Oasis Summer Day Camp. Kids will also get to go on awesome fields trips once a week and we will go to the Station Aquatic Center once a week as well. The City of Moore's Summer Day Camp and our staff are under American Camp Association guidelines. For costs and more information about the Oasis Summer Day Camp please call Moore Parks & Recreation at 405-793-5090.
