## **INITIATIVE AND INGENUITY**

### **SUPERVISION RECEIVED**

Under general supervision where standard practice enables the employee to proceed alone on routine work, referring all questionable cases to supervisor.

### **PLANNING**

Considerable responsibility with regard to general assignments in planning time, method, manner, and/or sequence of performance of own work; may also occasionally assist in the planning of work assignments performed by others within a limited area of operation.

### **DECISION MAKING**

Performs work operations which permit frequent opportunity for decision-making of minor importance and also frequent opportunity for decision-making of major importance; the latter of which would affect the work operations of other employees and/or clientele to a moderate degree.

## **MENTAL DEMAND**

Close mental demand. Operations requiring close and continuous attention for control of operations. Operations requiring intermittent direct thinking to determine or select the most applicable way of handling situations regarding the organization's administration and operations; also to determine or select material and equipment where highly variable sequences are involved.

## **ANALYTICAL ABILITY / PROBLEM SOLVING**

Directed. Supervisory and/or professional skills using structured practices or policies and directed as to execution and review. Interpolation of learned things in moderately varied situations where reasoning and decision-making are essential.

## **SUPERVISORY RESPONSIBILITIES**

Carries out supervisory responsibilities in accordance with the organization's policies and applicable laws. Responsibilities may include but not limited to interviewing, hiring and training employees; planning, assigning and directing work; appraising performance, rewarding and disciplining employees; addressing complaints and resolving problems.

Supervises a small group (1-3) of employees in the same or lower classification. Assigns and checks work; assists and instructs as required, but performs same work as those supervised, or closely related work, most of the time. Content of the work supervised is of a non-technical nature and does not vary in complexity to any great degree.

## **RESPONSIBILITY FOR FUNDS, PROPERTY and EQUIPMENT**

Occasionally responsible for organization's property where carelessness, error, or misappropriation would result in moderate damage or moderate monetary loss to the organization. The total value for the above would range from \$5,000 to \$150,000.

## **ACCURACY**

Probable errors of internal and external scope would have a moderate effect on the operational efficiency of the organizational component concerned. Errors might possibly go undetected for a considerable period of time, thereby creating an inaccurate picture of an existing situation. Could cause further errors, losses, or embarrassment to the organization. The possibility for error is always present due to requirements of the job.

## **ACCOUNTABILITY**

### **FREEDOM TO ACT**

Directed. Freedom to complete duties as defined by wide-ranging policies and precedents with mid to upper-level managerial oversight.

### **ANNUAL MONETARY IMPACT**

The amount of annual dollars generated based on the job's essential duties / responsibilities. Examples would include direct dollar generation, departmental budget, proper handling of organization funds, expense control, and savings from new techniques or reduction in manpower.

None. Job does not create any dollar monetary impact for the organization.

## **IMPACT ON END RESULTS**

Modest impact. Job has some impact on the organizations end results, but still from an indirect level. Provides assistance and support services that facilitates decision making by others.

## **PUBLIC CONTACT**

Occasional contacts with patrons on routine matters.

## **EMPLOYEE CONTACT**

Contacts of considerable importance within the department or office, such as those required in coordination of effort, or frequent contacts with other departments or offices, generally in normal course of performing duties. Requires tact in discussing problems and presenting data and making recommendations, but responsibility for action and decision reverts to others.

## **USE OF MACHINES, EQUIPMENT AND/OR COMPUTERS**

Regular use of complex machines and equipment (desktop/laptop computer and software, road and production machines and equipment, driver's license/cdl, etc.)

## **WORKING CONDITIONS**

Outside working environment, wherein there are extremely disagreeable working conditions most of the time (e.G. Hot mix paving in constant sun).

## **ENVIRONMENTAL CONDITIONS**

The following work environment characteristics described here are representative of those an employee encounters while performing essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the functions of this job, the employee is regularly exposed to work near moving mechanical parts, outdoor weather conditions, and vibration; frequently exposed to fumes or airborne particles, toxic or caustic chemicals; and occasionally exposed to work in high, precarious places. The noise level in the work environment is usually loud.

## **PHYSICAL ACTIVITIES**

The following physical activities described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions and expectations.

Moderate diversity, moderately physical. Work activities which allow for a moderate amount of diversity in the performance of tasks which requires somewhat diversified physical demands of the employee.

While performing the functions of this job, the employee is regularly required to use hands to finger, handle, or feel; frequently required to stand, walk, sit, reach with hands and arms; and occasionally

required to climb or balance, stoop, kneel, crouch, or crawl, talk or hear. The employee must occasionally lift and/or move up to 50 pounds; frequently lift and/or move up to 25 pounds; continuously lift and/or move up to 10 pounds. Specific vision abilities required by this job include close vision; distance vision; color vision; peripheral vision; depth perception; and ability to adjust focus.
