We would like to invite you to the City of Moore Farmers Market at Central Park. We are providing this market to give the opportunity for shoppers to fill their kitchens with the freshest food in Oklahoma. The market allows local farmers, food producers and artisans to provide consumers with the best products the state has to offer. The Farmers Market at Central Park offers only the freshest produce, dairy, eggs, meats, nuts, baked items, processed foods, seasonal produce, certified organic products, and a variety of handmade skincare and craft items. In addition to a wide array of fresh food items, The Farmers Market at Central Park offers consumers grown plant materials, orchids, honey and fresh cut flowers. Non-food vendors are welcome at the market as well, crafts, soaps, furniture, and food trucks! Come join the market as we grow the quality of life in the City of Moore! If you are interested in becoming a vendor at the market, go to centralpark.cityofmoore.com and click on the farmers market tab at the top of the Home Page. Thank you for your interest!
