

AGREEMENT
BETWEEN THE CITY OF MOORE, OKLAHOMA
AND CEC CORPORATION
FOR
PROFESSIONAL SERVICES

THIS IS AN AGREEMENT effective as of September 8, 2016 (“Effective Date”) between

City of Moore, Oklahoma ("City")

and

CEC Corporation (“Engineer”).

City's Project, of which Engineer's services under this Agreement are a part, is generally identified as follows: **Community Development Block Grant – Disaster Recovery program**

Services of the Engineer and the Engineer’s subcontractors under this Agreement are generally identified as follows: vertical structure engineering, environmental and traffic studies, structural engineering, transportation engineering, municipal engineering, water resources engineering, wastewater engineering, design survey, construction surveying, construction engineering including construction management and inspection, and materials testing.

Article I. Period of Service

Section 1.01 This agreement shall be in effect from September 8, 2016 to September 8, 2017.

This agreement may be extended on a year to year basis for up to an additional two (2) years at the same rates by notifying by the Engineer sixty (60) days prior to termination and acceptance by the Engineer thirty (30) days prior to termination. If one or both parties fail to notify of intent to renew before the expiration of the agreement, by agreement of both parties the agreement may be renewed within 180 days from expiration.

Section 1.02 Engineer shall provide, or cause to be provided, any of the services set forth in this Agreement:

(a) Project scopes and schedules will be defined for each project through a Work Order system

utilized by the City.

(b) In general, selected firms will be utilized on a round robin basis. The City has established two (2) round robin categories:

(i) On demand, spot engineering services for tasks requiring short term resolution with a pay rate of \$117.50 an hour.

(c) General engineering services will be on a task order system defined by the City.

(d) The City reserves the right to assign a specific firm a set of projects which are interconnected;

(e) The firm to be utilized for a specific project will have five (5) business days to provide a line item quote and delivery schedule for the project;

(i) The firm may pass on submitting a scope, cost and schedule two (2) times during the Agreement period by notifying the Project Supervisor within twenty-four (24) hours of the request from the City;

(ii) A pass results in the firm being placed at the bottom of the both round robin lists;

(iii) A third pass terminates the Agreement automatically

Section 1.03 Project implementation will occur immediately upon the issuance of a Work Order specific to the project.

(a) Engineer shall complete its services within the time period defined in the Work Order for the specific project.

Section 1.04 At the discretion of the City's Project Supervisor all or any of the selected firms may be required to attend a weekly meeting of the CDBG-DR construction team.

Article II. Termination

Section 2.01 The obligation to continue performance under this Agreement may be terminated by the City for convenience if:

(a) CDBG-DR funds are no longer available to the City;

(b) The City finds the Engineer's services are no longer needed

Section 2.02 The obligation to continue performance under this Agreement may be terminated for cause, by either party upon seven (7) days written notice in the event of substantial failure by the other party to perform in accordance with the Agreement's terms:

(a) Substantial failure shall include:

- (i) Failure by the Engineer to deliver all products of work on time, on budget and to the quality level required by the Engineer's professional license, the Agreement, and the applicable scope of work;
- (ii) The Engineer's pass on a third request for services under the round robin system utilized by the City;
- (iii) Failure by the Engineer to utilize Minority Owned (MOB), Women Owned (WOB) or Section 3 Owned (Section 3) businesses named in the Engineers response to the Request for Qualifications to the greatest extent feasible. The following businesses were specifically included in the Engineer's proposal
 - 1) Arrowhead Engineering
- (iv) In the event the Engineer is debarred by the Federal government from Federal contracts;
- (v) Failure by the City to pay Engineer for its services as provided in the Agreement;
- (vi) Upon seven days written notice if City demands that Engineer furnish or perform services contrary to Engineer's responsibilities as a licensed professional;
- (b) In the event of any termination under Section 2.02(a)(i-vi), the Engineer will be entitled to invoice City and to receive full payment for all services performed or furnished in accordance with this Agreement and all reimbursable expenses incurred through the effective date of termination.
- (c) Cures
 - (i) If the Engineer is debarred under Section 2.02(a)(iv) there is no cure;
 - (ii) If an Engineer's sub-contractor is debarred under Section 2.02(a)(iv), the City shall permit, upon written request of the Engineer, a thirty (30) day period in which the Engineer may obtain a replacement sub-contractor providing:
 - 1) The replacement sub-contractor meets the qualifications and requirements of the original request for qualifications;
 - 2) The unit costs (labor and expenses) for the replacement sub-contractor do not vary more than five percent (5%) from the contract costs for the debarred contractor;
 - 3) The City agrees to the replacement sub-contractor
 - (iii) If the Engineer passes for a third time under Section 2.02(a)(ii) there is no cure;
 - (iv) If the Engineer is cited by the City in its termination letter to Section 2.02(a)(i – iii - vi) the

Engineer will contact and work with the City to correct the deficiency within ten (10) business days of the Engineer's receipt of the termination letter;

- (v) If the City fails to pay the Engineer under Section 2.02(a)(v), the City may cure by providing payment within thirty (30) business days.

Article III. Successors, Assigns, and Beneficiaries

Section 3.01 City and Engineer are hereby bound and the successors, executors, administrators, and legal representatives of City and Engineer are hereby bound to the other party to this Agreement and to the successors, executors, administrators, and legal representatives (and said assigns) of such other party, in respect of all covenants, agreements, and obligations of this Agreement.

Section 3.02 Neither City nor Engineer may assign, sublet, or transfer any rights under or interest (including, but without limitation, moneys that are due or may become due) in this Agreement without the written consent of the other, except to the extent that any assignment, subletting, or transfer is mandated or restricted by law. Unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under this Agreement.

Section 3.03 Unless expressly provided otherwise, nothing in this Agreement shall be construed to create, impose, or give rise to any duty owed by City or Engineer to any contractor, subcontractor, supplier, other individual or entity, or to any surety for or employee of any of them. All duties and responsibilities undertaken pursuant to this Agreement will be for the sole and exclusive benefit of City and Engineer and not for the benefit of any other party.

Article IV. General Considerations

Section 4.01 The standard of care for all professional engineering and related services performed or furnished by Engineer under this Agreement will be the care and skill ordinarily used by members of the subject profession practicing under similar circumstances at the same time and in the same locality. Engineer makes no warranties, express or implied, under this Agreement or otherwise, in connection with Engineer's services.

- (a) Subject to the foregoing standard of care, Engineer and its consultants may use or rely upon design elements and information ordinarily or customarily furnished by others, including, but not limited to, specialty contractors, manufacturers, suppliers, and the publishers of technical

standards.

Section 4.02 Engineer shall not at any time supervise, direct, control, or have authority over any contractor's work, nor shall Engineer have authority over or be responsible for the means, methods, techniques, sequences, or procedures of construction selected or used by any contractor, or the safety precautions and programs incident thereto, for security or safety at the Project site, nor for any failure of a contractor to comply with laws and regulations applicable to such contractor's furnishing and performing of its work.

Section 4.03 Engineer neither guarantees the performance of any contractor nor assumes responsibility for any contractor's failure to furnish and perform its work in accordance with the contract between City and such contractor. Engineer is not responsible for variations between actual construction bids or costs and Engineer's opinions or estimates regarding construction costs.

Section 4.04 Engineer shall not be responsible for the acts or omissions of any contractor, subcontractor, or supplier, or of any of their agents or employees or of any other persons (except Engineer's own employees) at the Project site or otherwise furnishing or performing any construction work; or for any decision made regarding the construction contract requirements, or any application, interpretation, or clarification of the construction contract other than those made by Engineer.

Section 4.05 City acknowledges that such documents are not intended or represented to be suitable for use on the Project unless completed by Engineer, or for use or reuse by City or others on extensions of the Project, on any other project, or for any other use or purpose, without written verification or adaptation by Engineer;

- (a) Any such use or reuse, or any modification of the documents, without written verification, completion, or adaptation by Engineer, as appropriate for the specific purpose intended, will be at City's sole risk and without liability or legal exposure to Engineer or to its officers, directors, members, partners, agents, employees, and consultants;
- (b) The Engineer shall indemnify and hold the City and the City's officers and employees harmless from and against damages, losses, and judgements arising from the claims by third parties, including reasonable attorneys' fees and the expenses recoverable under applicable law, but only to the extent they are caused by the negligent acts or omissions of the Engineer, its employees and its consultants in the performance of professional services under this Agreement. The

Engineer's duty to indemnify the City under this provision shall be limited to the available proceeds of insurance coverage; and

- (c) In accordance with 24 CFR Part 85.34 (Copyrights); the City and HUD reserve a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Federal Government purposes:
 - (i) The copyright in any work developed under this Agreement; and
 - (ii) Any rights of copyright to which the City or a contractor purchases ownership with grant support
- (d) In accordance with 24 CFR Part 85.36 (Inventions); the City and HUD reserve a royalty-free right to any inventions that result from this Agreement as defined by 37 CFR Part 401.

Section 4.06 To the fullest extent permitted by law, City and Engineer:

- (a) *Indemnification by Engineer:* To the fullest extent permitted by Laws and Regulations, Engineer shall indemnify and hold harmless the City and the City's officers, directors, members, partners, agents, consultants, and employees, from losses, damages, and judgements (including reasonable consultants' and attorney's fees and expenses) arising from third-party claims or actions relating to the Project, provided that any such claim, action, loss, damages, or judgement is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property (other than the Work itself), including the loss of use resulting therefrom, but only to the extent caused by any proven negligent act or omission of Engineer or Engineer's officers, directors, members, partners, agents, employees, or consultants.
- (b) *Indemnification by the City:* To the fullest extent permitted by Laws and Regulations, the City shall indemnify and hold harmless Engineer and its officers, directors, members, partners, agents, employees, and consultants from and against any and all claims, cost, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals, and all court arbitration, or other dispute resolution costs) arising out of or relating to the Project, provided that any such claim, cost, loss, or damage is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property (other than the Work itself), including the loss of use resulting therefrom, but only to the extent caused by any negligent act or omission of the City or the City's officers, directors, members, partners, agents,

employees, consultants, or others retained by or under contract to the City with respect to the Agreement or to the Project.

- (c) Agree that Engineer's total liability to City under this Agreement shall be limited to \$50,000 or the total amount of compensation received by Engineer, whichever is greater.

Article V. Records

Section 5.01 The Engineer shall permit access by the City, the US Department of Housing and Urban Development (HUD), the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the Engineer which are directly pertinent to this Agreement for the purpose of making audit, examination, excerpts, and transcriptions.

Section 5.02 The Engineer shall retain all required records for three years after the City makes final payments and all other pending matters are closed.

Article VI. Applicable Laws and Regulations

Section 6.01 The Agreement is governed by:

- (a) Title I of the Housing and Community Development Act of 1974, as amended;
- (b) The Federal regulations contained at 24 CFR Part 570;
- (c) Section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C.5155), as amended;
- (d) The applicable laws of the State of Oklahoma; and
- (e) By the laws and regulations promulgated by the City for the CDBG-DR program.
- (f) The Engineer agrees that where conflicts may exist between State and Federal law, Federal law and practice shall take precedence;

Section 6.02 The general conditions for any construction contract documents prepared hereunder are to be the "Standard General Conditions of the Construction Contract" as prepared by the Engineers Joint Contract Documents Committee (EJCDC C-700, 2007 Edition); the requirements of the Community Development Block Grant Disaster Recovery (CDBG-DR) program of the U.S. Department of Housing and Urban Development (HUD) and all applicable local, State and Federal requirements. The Engineer agrees that where conflicts may exist between State and Federal law, Federal law and practice shall take precedence.

Section 6.03 The City acknowledges that such documents are not intended or represented to be suitable for use on the specific project unless completed by Engineer or for use or reuse by the City or others on extensions of the specific project, or for any other use or purpose, without written verification or adaptation by Engineer; (2) any such use or reuse, or any modification of the documents, without written verification, completion, or adaptation by Engineer, as appropriate for the specific purpose intended will be at City's sole risk and without liability or legal exposure to Engineer.

Section 6.04 The Engineer agrees to abide by and to advise the City on maintaining compliance of each of the following laws or regulations required for the expenditure of Federal funds on construction projects;

- (a) Compliance with all applicable standards, orders, or requirements issued under:
 - (i) Section 306 of the Clean Air Act (42 U.S.C. 1857(h));
 - (ii) Section 508 of the Clean Water Act (33 U.S.C. 1368),
 - (iii) Executive Order 11738;
 - (iv) Environmental Protection Agency regulations (40 CFR part 15);
 - (v) Environmental Reviews (24 CFR Part 58)
 - (vi) Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871). [53 FR 8068, 8087, Mar. 11, 1988, as amended at 60 FR 19639, 19642, Apr. 19, 1995]
- (b) Compliance with Federal Register Notices governing the expenditure of the City's allocation of CDBG-DR funds:
 - (i) Public Law 113-2: Disaster Relief Appropriations Act, 2013 (at HR 152-34)
 - (ii) The HUD Federal Register Notice at 78 FR 14329 published March 5, 2013
 - (iii) The HUD Federal Register Notice at 78 FR 23578 published April 19, 2013
 - (iv) The HUD Federal Register Notice at 78 FR 76154 published December 16, 2013

Section 6.05 In addition to the citations noted, the CDBG-DR allocation is also subject to "cross-cutting" Federal requirements listed herein:

- (a) Executive Order 11246, as amended;
- (b) Section 3 of the Housing and Urban Development Act of 1968, as amended;

Section 6.06 The Agreement is subject to the Policies and Procedures of the City of Moore

Section 6.07 City and Engineer agree to negotiate each dispute between them in good faith during the 7 days after notice of dispute. If negotiations are unsuccessful in resolving the dispute, then the dispute shall be mediated. If mediation is unsuccessful, then the parties may exercise their rights at law.

Article VII. Total Agreement

Section 7.01 This Agreement (including any expressly incorporated attachments), constitutes the entire agreement between City and Engineer and supersedes all prior written or oral understandings. This Agreement may only be amended, supplemented, modified, or canceled by a duly executed written instrument.

Section 7.02 The following are expressly incorporated attachments:

- (a) Exhibit A – Scope of Services
- (b) Exhibit B – Rate Schedule
- (c) Exhibit C – Insurance Requirements
- (d) Attachment A – Section 3 Reporting (Forms)
- (e) Attachment B – Minority and Women Owned Business Reporting (Form)

Article VIII. Basis for Payment and Payment Procedures

Section 8.01 Invoices

- (a) Engineer shall submit separate line item invoices for each Work Order assigned by the City;
- (b) Engineer shall prepare invoices in accordance with standard invoicing practices and submit the invoices to City's office of Capital Planning and Resiliency on a monthly basis;
- (c) Engineer shall submit a Section 3 Employee Report (Attachment A:) with each invoice
- (d) Engineer shall submit a Minority and Women Owned Business Report (Attachment B) with each invoice

Section 8.02 Payment

- (a) The Engineer will be paid based on benchmarks established by the Work Order, delivery schedule and line items submitted by the firm.
- (b) Invoices are due and payable within 30 days of receipt.
- (c) If City fails to make any payment due Engineer for services and expenses within 30 days after receipt of Engineer's invoice, Engineer may, after giving seven days written notice to City,

suspend services under this Agreement until Engineer has been paid in full all amounts due for services, expenses, and other related charges.

(i) City waives any and all claims against Engineer for any such suspension.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement, the Effective Date of which is indicated on page 1.
