Agenda Item Number 2 being:

RECEIVE A PRESENTATION FROM THE ISO.

The Oklahoma Insurance Department gave a presentation awarding the City of Moore an ISO Class 1 rating. It was noted that only a small number of communities nationwide achieve this distinction. ISO's field staff evaluates the community's fire department, water supply system, and emergency communications based on the Public Protection Classification ("PPC") Program. Class 1 represents exemplary fire protection, and Class 10 indicates that the fire protection does not meet ISO's minimum criteria. A Class 1 rating benefits the homeowners within the community by allowing lower property insurance premiums when compared to a community that does not achieve a high rating.
