

## The City of Moore has two propositions on the November 3rd Ballot

### PROPOSITION 1:

Extending the existing ¼ cent sales tax for the purposes of capital improvements for the acquisition, construction, equipping and/or remodeling existing Parks and Rec facilities and the Public Works facilities; to become effective April 1, 2021 and terminate March 31st, 2025.

#### Here's the exact wording of Proposition 1:

"Shall Ordinance No. 949(20) of the City of Moore, Oklahoma be approved which renews the levy and collection of an existing excise (sales) tax of one-fourth of one percent (0.25%) in addition to all other excise or sales taxes levied by the City or any other taxing authority, upon the gross proceeds or gross receipts derived from all sales to any person taxable under the Oklahoma Sales Tax Code; providing that the extension of the existing one-fourth of one percent (0.25%) excise or sales tax shall be limited to a period of four (4) years, commencing April 1, 2021, and ending March 31, 2025; and which Ordinance further states that all revenues and proceeds from said tax shall be used for existing parks and recreation facilities and The Moore Public Works Authority as specified in the Ordinance?"

### PROPOSITION 2:

Amending the scope of the existing 5% hotel/motel tax by modifying the use of the hotel/motel tax to include operational expenses and capital outlay for repairs and maintenance of parks and recreational facilities.

#### Here's the exact wording of Proposition 2:

"Shall Ordinance No. 950(20) of the City of Moore, Oklahoma, be approved which amends Section 6 of Ordinance No. 378(85) as amended by Ordinance No. 378(02) which provides for the collection of an existing five percent (5%) hotel/motel tax by modifying the use of said Hotel/Motel tax to include operational expenses and capital outlay for repairs and maintenance of said parks and recreational facilities of the City, as specified in the Ordinance?"

## Help Prevent Pet Waste Pollution

Pet waste left on the streets, pavement, lawns, and driveways can have a significant impact on our health and the health of our watershed. When not properly disposed of, pet waste can be picked up by Storm-water runoff and distributed into the watershed through storm drains. Upon entering the watershed, disease-causing bacteria and parasites are introduced into the environment increasing the risk of infection and other ailments detrimental to one's health. When left exposed to the water, the waste begins to decompose depleting oxygen levels and increasing the amount of nutrients in the surrounding water. The byproducts emitted in the water during the decomposition of the waste, can cultivate the perfect circumstances for an algae bloom to occur which can be catastrophic to the ecosystem.

For more information call: (405) 793-5089

### THERE ARE THREE SIMPLE WAYS TO PREVENT PET WASTE FROM COMPROMISING OUR WATER QUALITY:

- 1 Use a bag to clean up the waste
- 2 Dispose of the waste in the trash
- 3 Tell others to do the same
