

Sales Tax and Hotel/Motel Tax Propositions for November 3rd Election

Rendering of proposed expansion at The Station.

Rendering of proposed Public Works facility.

PROPOSITION 1:

Extending the existing ¼ cent sales tax for the purposes of capital improvements for the acquisition, construction, equipping and/or remodeling existing Parks and Rec facilities and the Public Works Authority; to become effective April 1, 2021 and terminate March 31st, 2025 (4 years). The last renewal of this sales tax was approved in November of 2016 and is set to end March 31st, 2021 if not renewed. The 2016 renewal allowed for a new fire station and training facility as well as parks and recreation facilities.

What is the purpose of Proposition 1?

To fund capital improvements for existing Parks and Recreation facilities as well as the Public Works facility. Here's the exact wording of Proposition 1:

"Shall Ordinance No. 949(20) of the City of Moore, Oklahoma be approved which renews the levy and collection of an existing excise (sales) tax of one-fourth of one percent (0.25%) in addition to all other excise or sales taxes levied by the City or any other taxing authority, upon the gross proceeds or gross receipts derived from all sales to any person taxable under the Oklahoma Sales Tax Code; providing that the extension of the

existing one-fourth of one percent (0.25%) excise or sales tax shall be limited to a period of four (4) years, commencing April 1, 2021, and ending March 31, 2025; and which Ordinance further states that all revenues and proceeds from said tax shall be used for existing parks and recreation facilities and The Moore Public Works Authority as specified in the Ordinance?"

PROPOSITION 2:

Amending the scope of the existing 5% hotel/motel tax by modifying the use of the hotel/motel tax to include operational expenses and capital outlay for repairs and maintenance of parks and recreational facilities.

What is the purpose of the Proposition 2?

To modify the use of the existing hotel/motel tax to include operational expenses and capital outlay for repairs and maintenance of parks and recreational facilities. Here's the exact wording of Proposition 2:

"Shall Ordinance No. 950(20) of the City of Moore, Oklahoma, be approved which amends Section 6 of Ordinance No. 378(85) as amended by Ordinance No. 378(02) which provides for the collection of an existing five percent (5%) hotel/

motel tax by modifying the use of said Hotel/Motel tax to include operational expenses and capital outlay for repairs and maintenance of said parks and recreational facilities of the City, as specified in the Ordinance?"

Will property taxes be affected?

No. Proposition 1 applies only to sales tax. Proposition 2 applies only to hotel/motel tax. Property taxes are not affected.

Does this raise the sales tax rate or the hotel/motel tax rate?

No. The current sales tax rate would remain 8.5% and the current hotel/motel tax rate would remain 5% should either/both propositions pass.

Are these combined or separate?

Each proposition will be voted on separately.
